TWIN ROCKS

Encountering Christ on the Oregon Coast

Greetings from Your Camp on the Oregon Coast!

Can you believe it's time to begin thinking about summer plans already!? Let me share with you about a great opportunity in which you can be involved this summer at Twin Rocks Friends Camp! The Servant Leadership Program is a five-week experience for high school students ages 16-18. These students are given the unique opportunity to learn hands-on leadership skills, build community, work, serve, play, and grow in Christ together!

There are a number of benefits to being a part of the Servant Leadership Program. For instance, you will get to work alongside other high school students who desire to grow in their faith and in their leadership ability. You will serve as a cabin counselor alongside committed Christian college students who will show you firsthand what it means to be a Christ-like leader. And did I mention that participation at Youth Yearly Meeting in Newberg and attendance at Surfside is at no extra cost to you? What a deal!

So where does God want *you* to serve this summer? What does God want you to learn? We hope that you will prayerfully consider applying for the Servant Leadership Program at Twin Rocks Friends Camp!

You can begin the application process online. After you've submitted your initial application, we will contact you about completing the second half of the process which includes your written response to several reflection questions. Please review all documents related to SLP on the website (Personnel Policies, A Typical Day) before completing your application. If you have any questions, feel free to call or email me anytime.
