Twin Rocks Friends Camp and Conference Center is located on the beautiful Oregon Coast. Established in 1918, we are one of the oldest camps on the west coast, and yet most of our facilities have been recently remodeled. Our grounds are situated on 120 acres of forest, mountain, lake, and stream. Twin Rocks' location, just one block from the beach, also enables campers the benefits of beach bonfires, ocean sunsets, and exploring miles of pristine coastline.

Twin Rocks is owned by the evangelical Friends or Quaker Church, yet it rents its facilities during much of the year to various evangelical denominations and non-profit groups of up to 350.

Twin Rocks' campers enjoy a wide range of outdoor activities including boating, canoeing, swimming, sand volleyball, miniature golf, the extreme swing, hiking and fishing. Indoors, campers enjoy playing basketball, foosball and ping pong in the camp's 'Shelter' gymnasium.

For more information about Twin Rocks Friends Camp and Conference Center, please contact us or check out our website which includes pictures and more detailed information.

## GROW through COMMUNITY

For many Summer Staff, the highlight of the TRFC experience is being part of a close-knit community. Summer Staffers share life together, living in the hotel-style Pacific Woods Lodge, working alongside each other throughout the day, and serving as camp counselors. Common prayer and worship bring the staff closer to Christ throughout the summer, and weekly accountability groups offer support and encouragement. Growth also happens through play, whether during down-time at the end of the day or special group building activities. Incredible memories, lasting friendships, and deep personal and spiritual growth are the result. (Ephesians 2:21-22)

I was overwhelmed by the openness and cohesiveness of the community and the depth of individual relationships. It was one of the best summers of my life.

*-Katie Chandler*

## GROW through SERVING OTHERS

Being a part of the TRFC Summer Staff means working hard. Summer Staff rotate regularly between various jobs such as washing dishes, preparing meals, working

grounds, and cleaning cabins. Some staff participate by working in specialized areas such as lifeguarding, archery instruction, and in the camp store. Whatever the task, Summer Staff work together toward the common goal of developing a servant's heart. (Philippians 2:5-11)

Work hard, play hard, develop as a leader, and be poured into by an amazing Twin Rocks staff. You give a lot of yourself, but you receive even more.

"So much of absolutely everything was truly Christ-centered this summer that just participating in it, let alone embracing it, has made God seem more real and more present."

*-Caleb McIlraith*

## GROW through CAMP COUNSELING

Perhaps a Summer Staff team member's most important role is that of camp counselor. Twin Rocks Summer Staff counsel several weeks of Friends Church youth camps for grade school through high school aged campers. During these weeks Summer Staff are challenged to love young people and impact them for Christ. These weeks are often the most stretching and the most fulfilling of the summer. (Luke 9:48)

## SPIRITUALLY FOCUSED

Summer Staff make a huge investment in the ministry of Twin Rocks, and in return the camp invests in its Summer Staff. Spiritual growth is a central emphasis of the program, and Summer Staff are given many opportunities to deepen their commitment to Christ, such as:

- \* daily prayer gatherings
- \* one-on-one mentoring
- \* spiritual disciplines
- \* midsummer Sabbath retreat
- \* weekly worship
- \* small groups

These opportunities and more create an environment focused on growth as a servant, a leader, and a follower Christ.
