

TWIN ROCKS

Encountering Christ on the Oregon Coast

Greetings!

Tween Camp is going to be an awesome week! As Tween Camp Directors, we have spent the past several months gathering together a high quality staff of teachers, worship leaders, and counselors. Their role is to facilitate fun, fellowship, and personal growth in Christ in the life of your child. We know that middle school can be a challenging time for kids, so we pray that Tween Camp will speak directly to what these young people are dealing with in their lives as they transition into teenagers.

Please pay close attention to the enclosed packing list for Tween Camp (it's included in the informational brochure). It is important to note that we discourage campers from bringing cell phones or personal electronic devices (such as ipods) to camp. Spending a week living with other middle schoolers is a varied experience for every camper. We strive to build a healthy camp community by asking campers to respect one another in dress, talk, and behavior. And don't forget the annual Tween Camp Auction! This is a chance for campers to look beyond themselves and donate extra money to make a difference in the lives of children their age around the world!

Finally, please pray for us. Pray that campers will not only be safe at camp but that they will have fun! Also, please pray that your child will respond to opportunities we provide for growth in their relationship with Christ. Thanks for your support and for your trust!
