EMERGENCY AUTHORIZATION AND LIABILITY RELEASE

I give permission for my child to attend camp with the above named adult/s, and recognize that this adult/s is responsible for my child, serving as his/her guardian for the duration of camp. This health history is correct so far as I know, and the child described above has permission to engage in all camp activities except as noted. I have familiarized myself with the camp program and events and understand that all activities are completely voluntary. I recognize the inherent risk of injury in camp activities and particularly, but not limited to: swimming, boating, archery, and some ocean activities. I understand that Twin Rocks Friends Camp has taken extensive safety measures, including the certification of its staff in first aid, CPR and water safety as well as making every effort to aid the safety of all camp participants. However, I also recognize that Twin Rocks Friends Camp cannot insure or guarantee that the participants, equipment, grounds and/or activities will be free of accidents or injuries. I am aware and have instructed my child in the importance of knowing and abiding by the camp's rules and regulations and do release Twin Rocks Friends Camp from all liability for any injury or harm to the camper. I understand that transportation to and from camp (and any liability thereof) is the responsibility of the camper, and not that of Twin Rocks Friends Camp.

In the event I cannot be reached in an emergency, I give permission to the physician selected by the camp director or person responsible (listed above) to hospitalize, secure proper treatment for, and to order injection and/or anesthesia and/or surgery for the camper named above. This completed form may be photocopied to have a set available for transportation records and for Twin Rocks Friends Camp's office.

I give permission for Twin Rocks Friends Camp to use any photo, video, or interview of my child taken at camp to be used to illustrate report, promote and advertise Twin Rocks Friends Camp.
