

TWIN ROCKS

Encountering Christ on the Oregon Coast

Greetings from the Oregon Coast!

What are you doing this summer? We hope it's not too early to ask that question. Twin Rocks Friends Camp is currently looking for sixteen outstanding young adults to serve as Summer Staff for the upcoming summer.

Twin Rocks Summer Staff work hard throughout the summer. They work behind the scenes in maintenance, food service, housekeeping, and grounds as well as on the front lines spending up to four weeks as cabin counselors for various youth camps. However, Twin Rocks Friends Camp offers something distinct from most other summer staff experiences. Our commitment to your personal and spiritual growth, and to building a Christ-centered community among Summer Staff participants is what truly sets apart the summer staff experience at Twin Rocks.

The following is a list of practical things that Twin Rocks looks for while prayerfully considering each summer staff applicant.

- A strong desire to serve as a Twin Rocks Summer Staff team member and pursue the program goals of serving, growing, and living in community.
- Personal belief in and agreement with Twin Rocks' evangelical Christian statement of faith (a copy can be found as part of the enclosed application).
- Belief in and ability to clearly communicate the basic gospel message in both word and actions.
- A respectful, teachable spirit desiring growth in relationship with Jesus Christ and other Christians.
- An energetic, enjoyable and "easy to get along with" personality.
- A strong work ethic.
- A love for kids and youth (preferably with some counseling-type experience).
- A neat and thoroughly completed application received before the application deadline.

It is our hope that you will prayerfully consider applying for Summer Staff. You can begin the application process online. After you have submitted your initial application, we will contact you about completing the second half of the process which includes your written response to several reflection questions. Please review all documents related to Summer Staff (Personnel Policies, A Typical Day) before completing your application. If you have any questions, feel free to call or email us anytime.

Blessings,

Matt and Megan Dayton
