GENERAL INFORMATION

Harbor Villa Retreat Center is located on the beautiful Oregon coast. Each year some 2,500 individuals utilize the retreat center for youth retreats, men's/women's church retreats, and family reunions. Harbor Villa is a ministry of Twin Rocks Friends Camp and Conference Center and is governed by the Evangelical Friends Churches of southwest Washington and western Oregon. We exist for the purpose of providing a year-round program and facility for camping and conferences in a Christian atmosphere.

At Twin Rocks, we desire for each person to grow in relation to self and others, but most importantly to grow in relationship with God through Jesus Christ. Through providing a quality setting, we believe a person is helped to receive guidance and instruction for living a Christ-like life in the world today.
