I have familiarized myself with the camp program and events and understand that all activities are completely voluntary. I recognize the inherent risk of injury in camp activities and particularly, but not limited to: swimming, boating, archery, Extreme Swing and some beach activities. I understand that Twin Rocks Friends Camp has taken extensive safety measures, including the certification of its staff in first aid, CPR and water safety as well as making every effort to aid the safety of all camp participants. However, I also recognize that Twin Rocks Friends Camp cannot insure or guarantee that the participants, equipment, grounds and/or activities will be free of accidents or injuries. I am aware and have instructed my child in the importance of knowing and abiding by the camp's rules and regulations and do release Twin Rocks Friends Camp from all liability for any injury to the camper. I understand that transportation to and from camp (and any liability thereof) is the responsibility of the camper, and not that of Twin Rocks Friends Camp.

I give permission to the camp nurse/physician to (1) administer the camper's routine medications, 'as needed' medications, and over-the-counter medications for minor illnesses or discomfort; (2) provide appropriate first aid for minor injuries; and (3) seek further treatment from local physician or hospital if condition warrants. In the event I cannot be reached in an emergency, I give permission to the physician selected by the camp director to hospitalize, secure proper treatment for, and to order injection and/or anesthesia and/or surgery for the camper named above. This completed form may be photocopied by the camp to have a second set available for transportation records and for Twin Rocks Friends Camp's office.
