

HARBOR VILLA RETREAT CENTER
A Ministry of Twin Rocks Friends Camp & Conference Center
P.O. Box 6, Rockaway Beach, OR 97136
(503) 355-2284 FAX (503) 355-8341

GENERAL INFORMATION

Harbor Villa Retreat Center is located on the beautiful Oregon coast. Each year some 2,500 individuals utilize the retreat center for youth retreats, men's/women's church retreats, and family reunions. Harbor Villa is a ministry of Twin Rocks Friends Camp and Conference Center and is governed by the Evangelical Friends Churches of southwest Washington and western Oregon. We exist for the purpose of providing a year-round program and facility for camping and conferences in a Christian atmosphere.

At Twin Rocks, we desire for each person to grow in relation to self and others, but most importantly to grow in relationship with God through Jesus Christ. Through providing a quality setting, we believe a person is helped to receive guidance and instruction for living a Christ-like life in the world today.

- **Group Criteria** - Harbor Villa Retreat Center is an ideal location for retreat groups of 10 to 50 people who provide their own food service. Harbor Villa is available to the following types of groups:
 1. Non-profit, organized groups with planned group activities or meetings; and
 2. Family groups of 10 or more with planned group activities.
- **No Alcohol/Drugs; smoking restrictions** – Please be advised that consumption of alcohol and use of non-prescription drugs (including marijuana) is not permitted. Smoking and vaping is only allowed outside in designated smoking areas.
- **Kitchens** - Each kitchen is equipped with dining and cooking dishes and utensils. In each of the three larger houses (Lighthouse, Anchorage, Harbor House) the kitchens are equipped with: a stove, refrigerator, microwave, toaster, table service to serve at least 25 (silverware, glasses, cups, plates, bowls), serving dishes, platters, cookie sheets, baking dishes, mixing bowls, strainers, several pitchers, coffee maker with filters, tea kettle, and several sizes of pots & pans. There is a varied supply of hand utensils.
- **Firepits** – There are two firepits available for guest use. If you would like to reserve a specific time to ensure availability, do so with the caretaker. In consideration of our neighbors, please keep fires on the small side (reserve large fires for the beach). Wood is available in the wood bin behind the Lighthouse. Absolutely no cooking in the firepits with the exception of s'mores.
- **Heat** - All units have electric heat. In addition, the Captain's Cabin and Harbor House have propane fireplaces, and the Anchorage has a wood stove. The Harbor Villa wood storage is located on the west-end of the Harbor House building. Please help yourself.
- **Noise** - Out of respect for all Harbor Villa guests and neighborhood residents, we ask that the noise level be restricted between 10:00 pm and 8:00 am. Please give special attention to this when traveling to and from the beach late at night.
- **Wireless access** – Harbor Villa has wireless access. The password is beachfun.
- **Walls** - We ask that posters and banners not be attached to walls. Please use bulletin boards.
- **Equipment** – With advance notice and depending upon availability, the following are available for your use: projector, screen, podium, white boards, paper flip charts, and easels. The Lighthouse, Anchorage, Harbor House, and Captain's Cabin have flat screens with DVD players.
- **Sunset Park** – Located just a half block south of Harbor Villa, this public park area is open to all our guests. It is equipped with 5 picnic tables, 3 pedestal barbecues, firepit with benches, and has a trail to the beach. It is a great place to view sunsets.
- **Pet Policy** – Out of respect for all guests, Harbor Villa has a strict No-Pet Policy (with the exception of *officially trained* service dogs, which we need to know about prior to arrival). It is the responsibility of the group leader to communicate this to the members of the group. If someone does arrive with a pet, he or she must take the pet to a local boarding facility we will recommend.
